

Mobile Jib Crane MOBILUS MOB

Product information

Mobile column mounted slewing jib crane for indoor use.

The Vetter MOBILUS smooth-running modular jib crane has a capacity ranging from 125 – 1000 kg and an outreach up to 6 m. MOBILUS is completely independent thanks to the integrated counterweight neither any fastening to the foundation is required.

Jib design: Low-profile.

Advantages:

- No fastening needed
- Modular design (The MOBILUS base can be combined with different crane types)
- Infinite slewing by 360° (or 270° with underbraced or light weight jib arm)
- Small approach dimension
- Can be moved easily and fast

Contact our crane department for more information.

Marking: According to standard, CE-marked
